***Resolution to Recommend Approval of the RME to Change
the Name of the Center for Basic Skills to the
Center for Academic Success***

WHEREAS SIUC has had a long-standing commitment of the special academic needs of its students; and

WHEREAS the Center for Basic Skills was implemented to serve all special admission students in need of academic support services; there has been a resounding call from consumers, alumni, parents, and students to consider a name change for the program—one that would reflect the accurate image of the program's mission, goals and offerings; and

WHEREAS a Reasonable and Moderate Extension has been submitted to change the name to the Center for Academic Success;

THEREFORE BE IT RESOLVED that the Faculty Senate recommend the RME to change the name of the Center for Basic Skills to the Center for Academic Success.
